

## *Verdugo Hills Hospital Foundation* *CADUCEUS CLUB*

Formed in 1982 by the Verdugo Hills Hospital Foundation, the Caduceus Club is the annual giving arm of the medical staff, and an integral part of the hospital's financial support. Funds raised are used to support the purchase of capital medical equipment, facility improvements and educational programs.

Philanthropic support from the medical staff of Verdugo Hills Hospital is critical to the hospital's success. Through annual membership dues of \$1000, physicians generously continue a personal and professional relationship with the community and the hospital, underscoring the importance of the mission of providing the community with exceptional care.

While an investment in the hospital and the community offer its own rewards, members of the Caduceus Club also receive additional benefits that further support their commitment to Verdugo Hills Hospital.

### **Membership benefits include:**

- A photo on the Caduceus Club Wall on the 3<sup>rd</sup> floor lobby.
- Invitations to premier hospital events.
- Input into designation of items purchased with contributed funds.
- Personalized assistance with hospital-related questions and requests.
- Recognition in hospital publications.
- Satisfaction of supporting the hospital.
- Charitable tax donation.

We invite you to join other members of the Verdugo Hills Hospital medical staff in supporting the Caduceus Club.
