Verdugo Hills Hospital’s Third-Floor Waiting Area Has New Furnishings

(GLENDALE, CA – March 20, 2009) – Verdugo Hills Hospital’s (VHH) third-floor waiting area now has new furnishings, thanks to the generous support of the Hospital’s Employee Giving Campaign, as well as the Women’s Council of VHH Foundation and the hospital’s Caduceus Club, the annual giving arm of the medical staff.

“Maintaining a comfortable and supportive environment for patients and their visitors is an important part of the hospital’s commitment to service excellence,” said Len LaBella, CEO and President of VHH.

“We are very grateful to the employees, Women’s Council and Caduceus Club for caring so much about our patients and their families,” said Margaret Kean, VHH Foundation President. “The funds they raised not only replaced much used furniture in our admitting and surgery floors, it also created a private space where surgeons can have private conversations with patients’ families following surgery.”

One of this year’s funding priorities for the VHH Foundation is to raise funds for new furnishings for the fifth-floor ICU/Telemetry waiting area.
